

# Draka EHC Handrail Sterilization & Sanitation

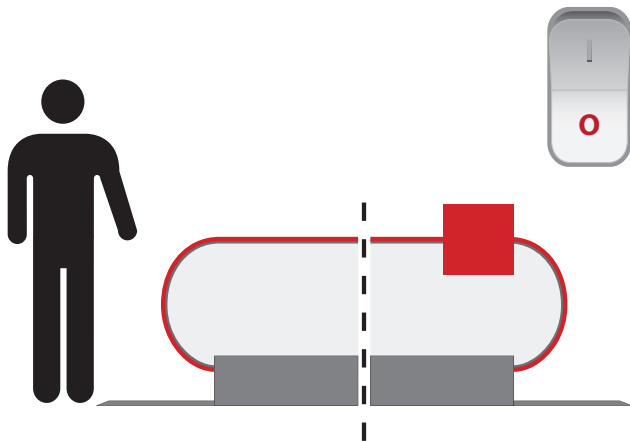

## Cleaning Instructions

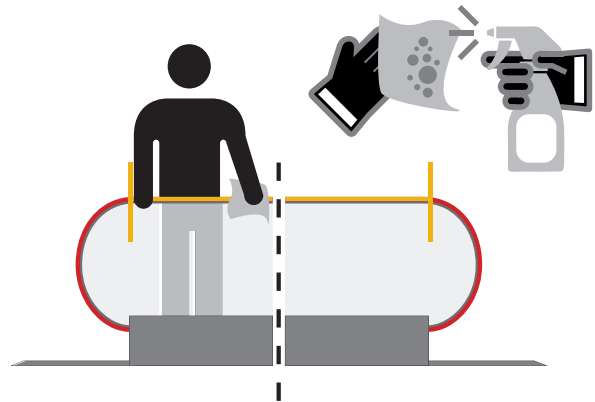

Use Draka EHC Handrail Cleaner monthly to maximize longevity, appearance and performance. Challenging environments, or exposure to harsh weather conditions may require more frequent cleaning.

### Draka EHC Handrail Cleaner

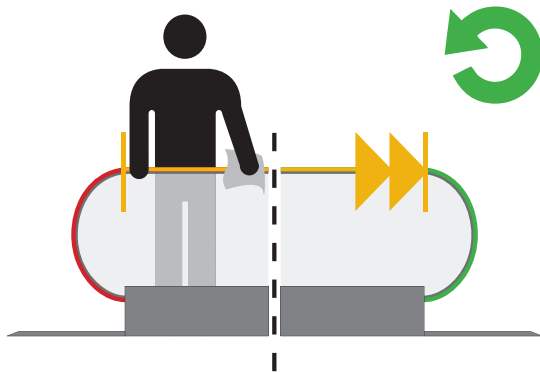

1. Turn **OFF** escalator.

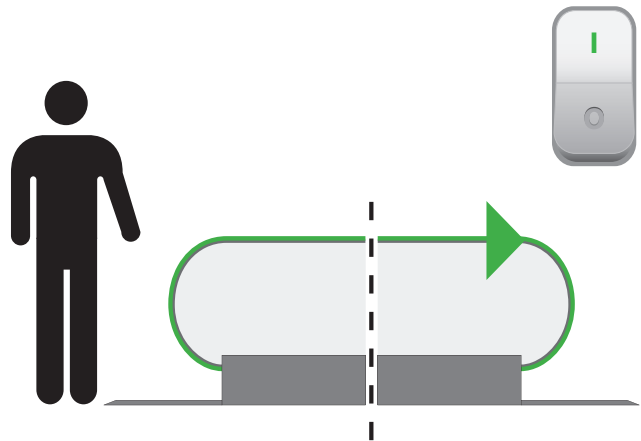

2. Take a clean cotton cloth or disposable wipe, spray generously with Handrail Cleaner and scrub handrail surface between newel ends. Frequently turn cloth, discard when dirty.

3. Advance escalator to expose next section of handrail, repeat process until complete.

4. Return escalator to service.

! All of our handrails are backed by an industry leading warranty. For more information, contact your Draka EHC representative.

**Personal Protective Equipment (PPE) should be worn at all times.**

# Draka EHC Handrail Sterilization & Sanitation

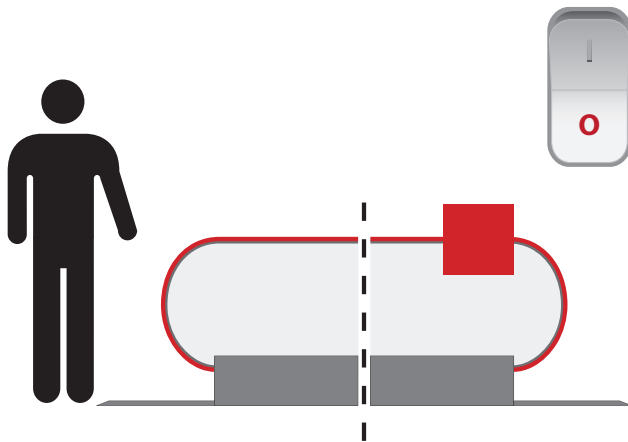

## Cleaning Instructions

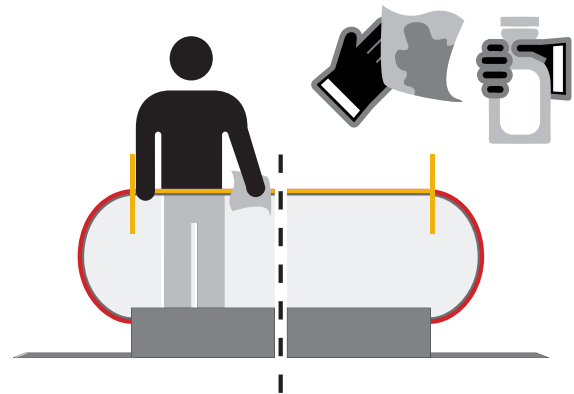

Use Draka EHC Handrail Polish monthly to restore natural luster and shine. Challenging environments, or exposure to harsh weather conditions may dull handrails and require more frequent polishing.

### Draka EHC Handrail Polish (Rubber Only)

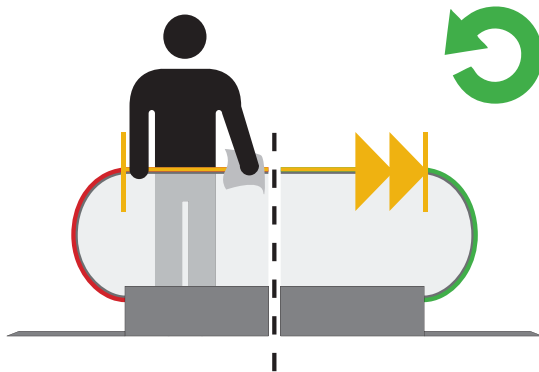

1. Turn **OFF** escalator.

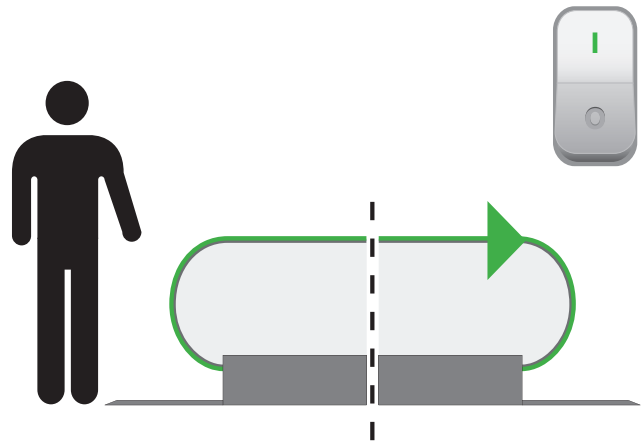

2. Take a clean cotton cloth, lightly dampen with Handrail Polish and apply to handrail surface. Using a dry cloth, gently buff handrail between newel ends.

3. Advance escalator to expose next section of handrail, repeat process until complete.

4. Return escalator to service.

! All of our handrails are backed by an industry leading warranty. For more information, contact your Draka EHC representative.

**Personal Protective Equipment (PPE) should be worn at all times.**
