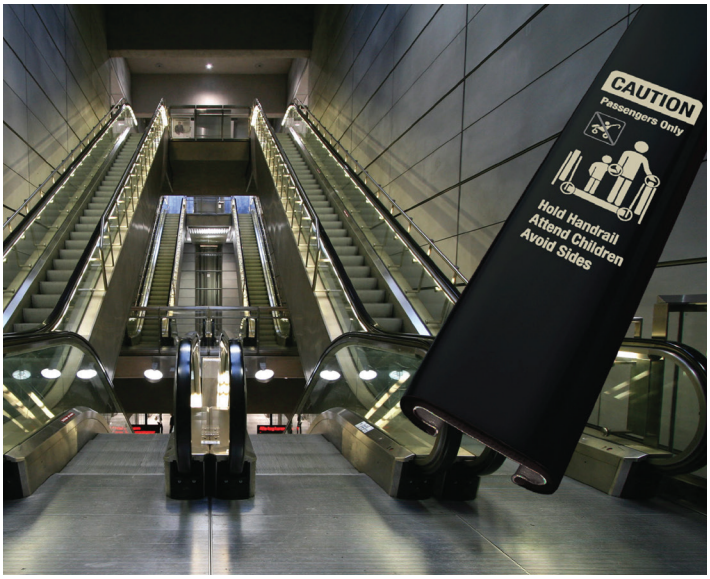
SafeRail™ Personalized Handrails

Mitigates the risk of escalator accidents

SafeRail provides permanent safety signage for passengers in motion.



HANDRAIL SAFETY SOLUTIONS

Prysmian's SafeRail handrails offer permanent safety signage solutions. Customers can select from a wide variety of preconfigured safety designs and messages, or design their own to meet local code requirements.

SafeRail promotes safe and responsible escalator use in high-traffic environments such as transit systems, airports, shopping malls and department stores.

ENGINEERED FOR PERFORMANCE

Our specialized equipment provides high resolution transfer of safety symbols or messages in any language onto black NT handrail.

Manufactured in an ISO14001 facility, SafeRail has been engineered to meet environmental standards and can be recycled.

FEATURES

- Wide variety of safety messages and symbols to choose from
- Available on black NT handrails - other colours available
- Available in any language
- Recyclable
